the Pacific Cable Project Before the United States Senate.

WASHINGTON, Jan. 3 .- Among the important bills introduced in the Senate today was one by Hale, authorizing the Postmaster-General to contract with the Pacific Cable Company for the construction of a telegraphic cable between San Francisco and Honolulu, Hawaii. The United States is to pay the company annually a sum equal to 4 per cent. of the amount expended each year by the company. The contract is to continue for twenty years, and the line is to be completed by July 1, 1897. It is also stipulated that the Government may come into the ownership of the proposed line by paying the cost price of it with 5 per cent. added.
